A Spring Fair to Remember!

Last Friday was our 8th annual Spring Fair and it certainly did not disappoint, what an **absolutely AMAZING night**. It was yet again, our most successful fair!

Though it started out a rainy day, by 4pm the rain had cleared and a bit of blue sky even peaked out to grace us with some good weather. The games were in full swing, music was flowing and the smell of BBQ was in the air.

The food concession was kept busy the whole night through, serving smokies, hot dogs, pizza, Bulgogi and delicious iced coffee. To our Bulgogi fans, it was an early sell out yet again this year. You really do have to be quick if you want to enjoy a bowl! Of course what would a fair be without frozen yogurt and cotton candy, an easy choice for a treat. The Cake Walk and Bake sale were an impressive display of sweet treats to satisfy anyone with a sweet tooth. A big **THANK YOU to the bakers** for their contributions!

Each year we grow, making additions or changes to keep things interesting. This year brought some new games, as well as two ponies and what a hit they were! How often do our city kids get a chance to ride a pony!? The bouncy castle with a rock wall and slide was perfect for burning off some excited energy and the obstacle course was the perfect competition for buddies to see who could complete it the quickest.

The silent auction was our biggest yet, with so many fantastic items provided by a large group of very generous donors, sponsors and Oppenheimer families. Thanks to our amazing community partners RBC, Save On, New Westminster Savings, Sirota's Alchymy, Collingwood Community Police team, South Vancouver Community Police team, Family Place, Sylvan Learning Center, along with a long list of amazing donors. You made Spring Fair 2019 our

most successful yet! Special shout out to Jesse Johl and the Queen Elizabeth Lions Club for providing the BBQ service, mini golf and so much positive energy, your support is always appreciated!

We also want to **thank the 90 plus high school student and adult volunteers from David Thompson, Killarney, RBC and Telus for help running the fair. Our biggest thank you goes to those who came out and enjoyed the fair.** Your support is what made our 8th annual Spring Fair the huge success that it was!!

Finally, we would like to acknowledge and thank our incredible PAC Spring Fair planning team and parent helpers. It was your tremendous team work and commitment that made this possible! **Thank you everyone!**

PAC - A Year in Review

This was a big transition year for our PAC team where we worked hard to balance fundraising with creating opportunities for our school community to connect.

We started the year with coffee and donuts on the first day of school, followed by our first ever Halloween Dance in October. Later in January, we had a successful community potluck and talent show that allowed us all to show off our best.

On the fundraising side, we held two clothing drives, the annual Direct Drive, ShopFunds gift cards, and Spirit Wear sales. We also continued to offer Kernels popcorn and Subway, Sushi and Pizza through MunchaLunch, with the new additions of Freshii and Boston Pizza.

All of these fundraising endeavors made it possible to fund school-wide skating and dance, to support sizeable classroom funds for teachers, to subsidize Grade 7 camp and grad costs, to provide scholarships for former Oppenheimer grads, and to purchase new gym equipment and various pieces of technology for the school. This year's successful Spring Fair makes it possible for us to continue to roll money into a capital fund to finance a future enhancement of our Intermediate playground!

We thank you all for your support in our fundraising endeavors and for participating in our school events. With you, we are able to offer so many fabulous opportunities for our students!

Please consider joining the PAC next year. With your help, we can bring even more opportunities for our children at Oppenheimer.

Have a wonderful summer. See you in September for coffee & donuts.
