

Hello Oppenheimer parents,

We wanted to give you an update on a number of PAC initiatives that have changed due to COVID-19.

Clothing Drive

By the direction of VSB, this event is canceled for this school year. We had explored the possibility of bags being dropped off directly to the Boys and Girls Club collection center but they too are closed until further notice due to the virus. Therefore, this fundraiser is canceled for this school year.

Spring Fair

By the direction of VSB, this event is canceled for this school year. We have canceled all rentals and other bookings and are sad that our largest fundraiser for this year will not be going forward.

PAC Meeting

With schooling being in a state of transition until mid-April, the April 8th PAC meeting has been canceled. However, we will be attempting to set up a virtual meeting for our May 13th PAC meeting.

Hot Lunches

Credits for the month of April are being processed. Until we hear more definitive announcements from the VSB regarding the length of out-of-school schooling, credits will be happening on a month to month basis.

Sincerely,

Esther and Sara
Oppenheimer PAC Co-Chairs
